The statistics contained in these rankings are compiled by The Jockey Club Information Systems Inc. (TJCIS). While every effort is made to prevent errors and omissions, *California Thoroughbred* cannot guarantee their complete and total accuracy. A dagger (†) indicates a stallion has been retired, an asterisk (\*) that he has died, a dot (•) that he is now standing elsewhere, a number sign (#) that he did not stand in California in 2002 but stood in the state in 2003, a double dagger (‡) that he did not stand in California in 2003 but will stand in the state in 2004 and in **bold** that he is a freshman sire—in all cases the sire will remain in the rankings until the year after his last California foals are two-year-olds. Statistics cover racing in North America (U.S., Canada and Puerto Rico), England, France, Germany, Ireland, Italy and the United Arab Emirates only.
