Early Bird Nominations for Cal Cup XIV

As co-hosts of California Cup XIV, the Oak Tree Racing Association and California Thoroughbred Breeders Association (CTBA) were pleased to receive 430 early bird nominations, by the closing date of Monday, August

18, for eight of the ten stakes races that will headline festivities on Saturday, Nov. 8. With \$1.325 million in prize money up for grabs for California-breds at this popular annual event, this year's renewal of Cal Cup

promises to once again provide everyone involved with another great day to remember. As an added bonus, it has been confirmed that racing fans can once again look forward to a guaranteed \$1 million Pick-Six.

Fantasy Challenge

All in all, it promises to be a day full of excitement and enjoyment and to ensure that one doesn't miss out on the action, make sure to sign up for the California Cup Fantasy Challenge by logging on to www.ctba.com for more information and updates.

Every contestant gets to choose one horse in each of the eight major stakes races and then those with the most points allocated to their name for first, second and third place finishes by their choices, will be rewarded with prizes from the generous sponsors of California Cup XIV.
